

## The Esh's **Commitment**

Your property deserves the best. We don't think folks in Kentucky and Tennessee should get stuck with generic prefab buildings, so we work hard to help each customer find or create the structure that's perfect for them. Whether it's a small cabin, a portable garage, or simply a storage shed, we believe each project deserves attention to detail and the best craftsmanship around.

## Why a Homesteader?

It shouldn't be hard to find an affordable, yet quality built shed. With the Homesteader, you get both! Available in 5 sizes, along with multiple color options to match your home and personal aesthetic. Need windows? We can do that too!

While the Homesteader doesn't offer the same customization options as our other models, it more than makes up for it with exceptional functionality!
